- acknowledge opportunity +  
mind & support from Katrina
- instructions
  - \* avoid being obtuse
  - \* invite comment... answer all questions with "that's a good question."
- Hugh Mackay - reflection/parallels.
- ① \* have avoided the "why" question and have coined "what are..."
- ② \* intent or focus of the research is based upon venturing beyond the obvious
- ③ \* manner of the research is social in essence... avoiding the experiment effect where possible.
- ④ Education sector as "herd" ... industry, tertiary, VET, Armed forces, informal network learning.
- ⑤ - "strangers in a strange place say strange things..."  
framework of engagement = non-intrusive moderator.
